Sam Tepper Memorial Scholarship Foundation

Science Majors

(Physics, Chemistry, Biology, Geology, Meteorology, etc)

We have established a scholarship in memory of our son, Sam Tepper, who was a physics major. We would like to see his dream of making the world a better place live on, and so we have established this scholarship to help students of science, from middle class families, pursue their dreams.

This Scholarship Foundation will award \$1,000 to a student who meets the following criteria:

- Major in one of the pure sciences, in your sophomore, junior or senior year
- Not be in receipt of any other scholarships or grants
- Family income must be between \$88,000 and \$250,000/year

To apply, please submit the following:

- An official transcript from the most recent semester completed.
- A letter from your school's Financial Aid Office certifying you are not in receipt of any other scholarships grants. or other forms of financial assistance.
- A copy of your family's IRS 1040, showing the adjusted gross income

And a short essay, 500 words or less, responding to this statement:
My education will enable me to...

Please mail all materials before March 15th to:
Sam Tepper Memorial Scholarship Foundation
32 Home Place
Staten Island, NY 10302

The winner will be awarded \$1,000 on or about June 15, 2012.

Relatives of Sam Tepper are not eligible. The winner will need to submit a paid copy of the bill for tuition, books or lab fees to receive the monies.
