SOLAR REGISTRATION INSTRUCTIONS

System specifications

This system will work best with at least Internet Explorer 7.0 and above, Safari 2.0 and above, or Firefox 2.0. If you have trouble accessing this application with any of these browsers, check with Computer User Services.

1. Your Personal Identification Number (PIN) and Reed ID number are required to log on to the SOLAR System. A new PIN will be issued to your adviser prior to each registration period (i.e. April and September)

You must meet with your academic adviser
to review your course selections and to get your PIN.

2. Access SOLAR through the Reed web login page at solar.reed.edu

Access the most up-to-date version of the 2011-12 Schedule of Classes at http://www.reed.edu/registrar/registration_info.html

The system will be available for registration Monday, April 25. SOLAR will be available to continuing students through Thursday, August 25.

Navigating the SOLAR System

3. **Find courses** using a variety of search options, e.g. by department, course number, day/time, instructor, or available seats.

4. **Select a course** and decide whether you want to find out more information about it, such as prerequisites, or access the on-line Catalog for a course description by clicking the title of the course in the searchable subject block .

5 **Add the course** by clicking the ADD button to the right of the course listing. The system will prompt you to add all components of the course. (If a course is filled, you may choose to place yourself on the wait-list for it. Watch your email for notification of availability, or ask your instructor for an override.)

6. **Drop a course** by clicking the DROP button. The system will deliver a second prompt to ensure you've chosen the correct course.

7. **Print a copy** of your schedule by clicking on the "Daily view" button on the top of the page and print the pop-up page as you would in any other program: select "Print" from the "File" menu.

NOTE: You can check your schedule at any time through IRIS.

Access IRIS at iris.reed.edu

(Start with "create account" if you've never used IRIS before.)

8. **FINALIZE your registration!!!** Click the Finalize link at the top of the page. This will ensure that you are registered correctly and prevent others from tampering with your schedule.

Error Messages, Things You Can't Do in SOLAR, and HELP

1. SOLAR will deliver an error message and prevent you from registering for a time conflict, an overload of five or more units, a course with class level restrictions (e.g. senior only), and courses that require instructor/chair permission. When SOLAR is available, approval for the following can be recorded as an override by the instructor through IRIS. Once an override is entered you can use SOLAR to register for:

- an instructor permission-only course
- a course with prerequisites you have not met
- a course that conflicts in time with another course
- a course with class level restrictions

2. You must submit a completed drop/add or humanities conference change form to the Registrar's Office to make the following changes:

- to register for a course for reduced unit value (e.g. lab or lecture only)
- to enroll in an independent study course
- to change the conference assignment of any humanities (HUM) course

3. You must submit the requisite form to the registrar's office in order to:

- change your adviser
- take a course for the Credit/No Credit grade option
- request credit for one semester of a year course
- declare your major
- request approval of transfer credit
- request a copy of your transcript

4. Need help with the SOLAR System while you're on-line? Click the "HELP" button at the top of the screen. Contact the Registrar's Office at extension 7296 with any questions, concerns, or problems you may have about the SOLAR System. We are happy to assist you.

GENERAL REGISTRATION INFORMATION

1. REGISTRATION SCHEDULE

Registration for fall 2011 and spring 2012 will take place beginning Monday, April 25. Registration for continuing students will be available via SOLAR through August 25. The first day of classes is Monday, August 29.

2. DEADLINES

It is very important to pay attention to the different deadlines for making changes in your schedule. Students who miss a deadline for a change to their schedule must petition the Administration Committee for a waiver of policy. If the committee approves the change, it may levy a fine for late processing. Please keep in mind the following course change deadlines:

	Fall		Spring	
To register late:	Fri.	Sept. 2	Fri.	Jan. 27
To add a course:	Fri.	Sept. 9	Fri.	Feb. 3
To change sections:	Fri.	Sept. 9	Fri.	Feb. 3
To request reduced unit value:	Fri.	Sept. 9	Fri.	Feb. 3
To drop a semester course-without the grade of W :	Mon.	Oct. 3	Mon.	Feb. 27
To take a leave of absence:	Mon.	Nov. 7	Mon.	Apr. 2
To withdraw from a semester course with the grade of W :	Mon.	Nov. 7	Mon.	Apr. 2
To change a course to Credit/No Credit:	Mon.	Nov. 7	Mon.	Apr. 2
To drop a year course without the grade of W :	Mon.	Nov. 7		
To withdraw from a year course-with the grade of W :			Mon.	Feb. 27

3. ADDING AND DROPPING COURSES

Students are responsible for all courses for which they register. Failure to attend a class does *not* result in a course being dropped from a student's schedule. Students wishing to make changes to their schedule once classes begin must fill out an official Drop/Add form (available at Eliot 311 and at <http://www.reed.edu/registrar/forms.html>). Students must submit the completed form, with the requisite signatures, to the Registrar's Office by the relevant deadline.

You may check your schedule any time on IRIS at

iris.reed.edu

(Start with "create account" if you've never used IRIS before.)

Course changes submitted after registration day become official only when a signed and completed Drop/Add form is returned to and processed in the Registrar's Office. Students are responsible for all work in the course until the change is processed.

4. CHANGING SECTIONS

A Section Change form (available at Eliot 311 and at <http://www.reed.edu/registrar/forms.html>) must be completed, signed, and submitted to the Registrar's Office by the relevant deadline in order to change to a different section of a course. The deadline for section changes is the same as the deadline for adding a course. Signatures of the student and instructor are required.

5. CREDIT/NO CREDIT ENROLLMENT

Only juniors and seniors may enroll in a class for credit/no credit, and they must complete the Credit/No Credit form. The deadline to change a course to credit/no credit is the same as the deadline to withdraw from a course. Students may take only elective classes on this basis, and *no more than two units* may count toward the degree. Credit/No credit classes must be taken outside the major department, cannot be used to meet group, major or division requirements, and must be completed at the level of C or better to receive credit. Courses offered *only* on a credit/no credit basis do not count toward the 2-unit maximum.

6. UNDERLOADS AND OVERLOADS

A *normal full-time schedule* is defined as 3 to 4.5 units per semester or 6 to 9 units per year exclusive of physical education. A minimum of 30 units is required for graduation.

An **underload** is any semester schedule of fewer than 3 units. Students wishing to enroll in an underload *and pay reduced tuition* must petition the Administration Committee by the end of the second week of classes, with support from their adviser. Students wishing to enroll in an underload later in the semester with no reduction of tuition must submit to the Registrar's Office a Drop/Add form signed by their adviser and one of the deans in Student Services.

An **overload** is any semester schedule over 4.5 units. Students must petition the Administration Committee or their division (juniors and seniors) in order to register for an overload. A petition is required for *each* semester in which an overload is requested.

Revised Fall 2011 Schedule of Classes

List of Fall 2011 courses only, updated October 20, 2011.

Please use this URL for the Spring 2012 Updated Schedule of Classes, new course descriptions, and the academic Iris system: http://web.reed.edu/registrar/registration_info.html .

7. MULTIPLE SECTION CLASSES

For classes with multiple sections, students will be registered for the section they select during the registration period. After the close of registration, courses may be balanced as evenly as possible across sections within the constraints of students' schedules. *Students must attend the section for which they are enrolled after the close of registration, and should check IRIS to confirm their registration.*

8. REGISTRATION FOR THESIS

Students must have formally declared a major **and** have been certified as having passed the Junior Qualifying exam before registering for thesis. Students enroll in the general thesis section in their major department. The Registrar's Office will update the record when thesis advisers are assigned.

9. REGISTRATION FOR INDEPENDENT STUDY 481

A completed drop/add form is required for enrollment in an independent study. The course number for independent study is 481. The course subject and number are required on the Drop/Add form (e.g., BIOL 481, HIST 481). The instructor's signature is required for registration in independent study courses. All independent study courses must be approved by the division before registration will be finalized, but the add form must be submitted by the deadline to add.

10. CREDIT FOR ONE SEMESTER OF A YEAR COURSE

Credit in a year-long course normally is granted only after the completion of the work of both semesters. With the instructor's permission, credit will be recorded for one semester once a completed Credit for One Semester form is signed and filed in the Registrar's Office.

11. PHYSICAL EDUCATION REQUIREMENT

Six quarters of P.E. must be completed before a student may be considered for graduation. This requirement should be completed before the Junior Qualifying exam. Take care to sign up for the correct quarter when choosing a PE class. SOLAR is available for enrollment in PE according to the following schedule.

Fall 2011

1st quarter PE 101 August 29-October 14

Add PE 101 classes via SOLAR through August 28.

2nd quarter PE 102 October 24-December 7

Add PE 102 classes via SOLAR through October 23

Spring 2012

3rd quarter PE 103 January 23-March 9

Add PE 103 classes via SOLAR through January 22.

4th quarter

PE 104 March 19-April 27

Add PE 104 classes via SOLAR through March 18

12. JUNIORS MUST DECLARE THE MAJOR

Students who have completed or are in the process of completing 16 units toward graduation must declare the major in order to register.

13. SENIOR YEAR REQUIREMENTS

Seniors must *complete* no fewer than 6 units during their thesis year. The six units, however arranged, (e.g., 2 units first and 4 units second semester) constitute a full-time academic load and require payment of full-time tuition for both semesters. Seniors are responsible for completing all requirements, including those specific to the thesis year. Seniors must take at least one non-thesis unit in a thesis semester. Due to federal regulations, students on financial aid may be required to enroll in a minimum of three units to be considered full-time. Any change in registration should be considered carefully in light of the fulfillment of graduation requirements.

14. REQUIRED SIGNATURES

Certain signatures are required for the different activities associated with registration. Forms without the requisite signatures will be returned to students unprocessed. The instructor's signature is always required for adding and dropping classes once classes have begun; during the initial registration period it is required for independent study, classes taken for reduced unit value, and permission to complete one-half of a year-long course.

15. FACULTY ADVISERS

Returning students may change advisers at any time, either by completing a Change of Adviser form or by having their new adviser sign a drop/add form. Students must choose a new adviser if their adviser has left Reed, or is on sabbatical or leave, observing the two restrictions listed below.

- Faculty may not serve as academic advisers in their first year at Reed.
- Juniors and seniors must have an adviser in their major department. In some cases, the thesis adviser is the academic adviser. Check with the department and division.

16. CREATIVE WRITING

Students must submit a sample of their writing to the instructor, no later than *one week* before classes begin. The instructor's permission is required to register for creative writing courses. Once the instructor submits online approval for students admitted to the class, students may add the class on SOLAR.

PRIVATE MUSIC PROGRAM AND ENSEMBLES

Denise VanLeuven, Director of Private Music Instruction
Extension: 7472

Office: Prexy Building, Room 102
email: dvanleuv@reed.edu

Music Performance Credit

All students participating in music performance (Music 101, 104, 105, 106, 107, 108, 109) must register for the course through the on-line registration system, SOLAR, or with a completed drop/add form during the first two weeks of each semester. These courses are graded Credit/No Credit, and carry variable unit credit: one-half credit or zero credit for one semester.

MUS 101 FNC
MUS 101 FCR

0.0 unit
0.5 unit

1. **Pre- and co-requisites:** To qualify for academic credit, students must have taken or be currently enrolled in a one-unit course at level 111 or above at Reed. The only exception is Chamber Orchestra, Music 104; refer to the description for MUS 104 in the catalog. For each unit at 111 or above, students can receive two half-units of credit for a music performance course, one-half unit per semester. If the co-requisite course is dropped, the credit for music performance will be relinquished and the performance course continued for zero credit.

2. **Unit limits:** No more than one-half unit may be taken for credit each semester. There is no limit to the number of performance courses that may be taken for zero credit. No more than two units may be earned for the same music performance course.

3. **Degree credit:** Music performance units apply toward the quantity requirement of 30 units for graduation, but not toward the Group A or Group X requirements.

Private Music Lessons- MUS 101

Lessons in most instruments and in voice are offered.

See the college catalog for a complete listing.

1. **Registration:** In addition to registering through SOLAR or the Registrar's Office, all participants in Music 101 must register with the director of private music instruction during the first week of the semester. Whether or not Music 101 is taken for credit, timely enrollment enables students to receive the full number of lessons.

Drop Policy: Students enrolled for credit who later choose to drop the course must complete a drop/add form, adhering to the published deadlines.

2. **Cost:** The semester cost for twelve 45-minute lessons is \$450.00. Students will be billed by the Business Office, within the first month of the semester.

Arrangements for other than immediate payment must be made with the Business Office upon receipt of the bill. Limited scholarship aid is available and generally is disbursed according to need. Non-need-based funds are sometimes available. All interested students should meet with the director at the beginning of each semester. Fees for one set of lessons per term are waived for junior and senior music majors.

3. **Cancellations:** Lessons that are canceled by the college or the instructor will be re-scheduled. Students who must cancel a lesson should notify the instructor as soon as possible. Instructors will try to re-schedule a student-canceled lesson, but may be unable to do so.

4. **Dropped lessons:** Students who arrange for lessons and later drop them will be charged the following: after one lesson, charged for two; after two lessons, charged for four; after three lessons, charged for six; after four lessons, charged for eight, after five lessons, charged for ten; after six lessons, charged for twelve. No refund can be made if a student drops after mid-semester.

5. **Grading:** Music 101 is graded on a Credit/No Credit basis only. (This does not count in the optional Cr/NCr courses open to juniors and seniors.) In addition to regular attendance, students are expected to practice each week and to show satisfactory progress during the semester in order to earn credit. Students taking the course for one-half unit are encouraged to participate in at least one informal student performance.

6. **Use of Practice Facilities:** The Music Building (Prexy) is available from 7:00 a.m. until midnight daily and may not be used at other times. Students enrolled in music courses have priority in the use of facilities; however, all current members of the Reed community (students, faculty, and staff) are invited to use the facility. The use of electronic equipment (e.g., amplifiers) in Prexy should be cleared through Denise VanLeuven.
