

# REED COLLEGE

## Ski/Snowboard Class 2013 Program Prices

Reed program begins 2/2/13 & runs 5 consecutive Saturdays, with 1 make-up class on 3/9/13.

The Mt. Hood Meadows College Program is a 5 week accredited physical education course. Attendance is important for grading. All students must attend each of the five 2 hour lessons.

Mandatory orientation on Tuesday 1/29/13, 5pm in Vollum Lecture Hall. This meeting will be an opportunity to ask questions in preparation for our early departure to the mountain on Saturday 2/2/13, and for each participating student to sign a Release and Indemnification form to be submitted to me that evening.

Online registration has been enhanced this season to include online rental registration. Participants will complete their rental forms online when registering for programs.

- Go to [www.skihood.com/go](http://www.skihood.com/go)
- Enter GO Code - 1024048
- Select products and check out.

Registering for at least the lesson package is required to receive the group discount, reserve a seat on the bus, and receive PE credit for your efforts on the mountain.

Students that rent equipment will receive a custom rental form in their confirmation email from Meadows. Please print this rental form and bring with you on the first day of programs.

This new process will hopefully help move groups through the rental department with ease and allow better control. Questions contact *Michael Lombardo* [lombardm@reed.edu](mailto:lombardm@reed.edu) - Group Organizer
