Moodle Discussant Sign-up Sheet

Sign up to be a **Discussant** in our Moodle forum discussion forums for TWO weeks. Moodle Discussants are responsible for posting thoughtful responses to at least ONE of the discussion questions before BOTH Monday and Wednesday classes. Class members will be able to see and comment on your responses. Please be respectful and relevant in your responses to questions.

Responses can be in many forms but all should refer back to course materials in some way. Ask follow-up questions, consider and/or explicate a theorist or key term, bring in a comparison or contrast with your own experience of language use, bring in another author or film from the course (most important) and then from other courses. Consider **time management**: depending on your schedule, sign up for an early week and a later week to distribute the work, or do your two weeks back-to-back, etc.
