

AUTHORIZATION TO RELEASE INFORMATION

The Family Educational Rights and Privacy Act (FERPA) affords students and former students certain rights with respect to their education. Education records are defined as those records directly related to a student and maintained by the institution or by a party acting for the institution. The act does exclude certain records and a listing of those exclusions may be obtained by contacting the Office of the Registrar.

I consent to the disclosure of any personally identifiable information from my financial aid records to the following individuals or agencies, for reasons determined by the Reed College as appropriate. This authorization will remain in effect until revoked in writing.
