M.A.L.S. Student Health Insurance Plan
REED COLLEGE

Your student health insurance coverage, offered by Aetna Student Health*, may not meet the minimum standards required by the health care reform law for the restrictions on annual dollar limits. The annual dollar limits ensure that consumers have sufficient access to medical benefits throughout the annual term of the policy. Restrictions for annual dollar limits for group and individual health insurance coverage are \$1.25 million for policy years before September 23, 2012; and \$2 million for policy years beginning on or after September 23, 2012 but before January 1, 2014. Restrictions for annual dollar limits for student health insurance coverage are \$100,000 for policy years before September 23, 2012, and \$500,000 for policy years beginning on or after September 23, 2012, but before January 1, 2014. Your student health insurance coverage includes an annual limit of \$100,000 on all covered services including Essential Health Benefits. Other internal maximums (on Essential Health Benefits and certain other services) are described more fully in the benefits chart included inside this Plan summary. If you have any questions or concerns about this notice, contact (877) 850-6031. Be advised that you may be eligible for coverage under a group health plan of a parent's employer or under a parent's individual health insurance policy if you are under the age of 26. Contact the plan administrator of the parent's employer plan or the parent's individual health insurance issuer for more information.

STUDENT COVERAGE

ELIGIBILITY

All degree-seeking M.A.L.S. students taking at least a half unit of classes each term, including summer, are eligible to enroll for coverage in the Reed College Student Health Insurance Plan. Eligible **Dependents** – legal Spouse and **Dependent** Children under 26 years of age, may be enrolled under an eligible student's coverage as well. Please contact the Business Office to enroll.

Home study, correspondence, Internet classes, and television (TV) courses, do not fulfill the eligibility requirement that the student actively attend classes. If it is discovered that this eligibility requirement has not been met, our only obligation is to refund premium, less any claims paid.

Exception: A **Covered Person** entering the armed forces of any country will not be covered under the Policy as of the date of such entry. A pro rata refund of premium will be made for such person, and any covered dependents, upon written request received by Aetna within 90 days of withdrawal from school.

Continuously Insured

“Continuously insured” means a person who was insured under prior Student Health Insurance policies issued to the school; and is now insured under this Policy. Persons who have remained continuously insured will be covered for conditions first manifesting themselves while continuously insured; except for expenses payable under prior policies in the absence of this Policy. Previously insured dependents and students must re-enroll for coverage in order to avoid a break in coverage for conditions which existed in prior Policy Years. Once a break in continuous insurance occurs; the definition of injury or sickness will apply in determining coverage of any condition which existed during such break.

ENROLLMENT

To enroll online or obtain an enrollment form for voluntary coverage, log on to www.aetnastudenthealth.com and search for your school, then click on **Enroll** to download the appropriate form.

ENROLLMENT/WAIVER DEADLINES

Students have until the start of the semester to enroll under the Student Health Insurance Plan. After this date, you must contact the Business Office at **(503) 777-7504**. Eligible **Dependents** must be enrolled within thirty-one (31) days from the start of a semester.

To enroll, please contact the Business Office at **(503) 777-7504**. For more information on late addition to the Plan, please refer to the ‘Change in Status/Qualifying Event’ section of this Plan Brochure.

REFUND POLICY

If you withdraw from school within the first 31 days of a coverage period, you will not be covered under the Policy and the full premium will be refunded, less any claims paid. After 31 days, you will be covered for the full period that you have paid the premium for, and no refund will be allowed. (This refund policy will not apply if you withdraw due to a covered **Accident** or **Sickness**).

Exception: A **Covered Person** entering the armed forces of any country will not be covered under the Policy as of the date of such entry. In this case, a pro-rata refund of premium will be made for any such person and any covered **dependents** upon written request received by Aetna Student Health within 90 days of withdrawal from school.

DEPENDENT COVERAGE

ELIGIBILITY/ENROLLMENT

Covered students may also enroll their eligible dependents for the same coverage (except where noted). Eligible dependents are a **covered student's** lawful spouse (or domestic partner, both same and opposite sex), and **dependent** children under age 26. To enroll eligible dependents for this coverage online, visit www.aetnastudenthealth.com/reed. Click on "Find Your School" and enter Reed College.

Partners in a domestic partnership, surviving partners in a domestic partnership and the children of partners in a domestic partnership have the same privileges, immunities, rights, benefits and responsibilities as are granted to or imposed on spouses in a marriage, surviving spouses and their children. Domestic partnership means a civil contract entered into in person between two individuals of the same sex who are at least 18 years of age, who are otherwise capable and at least one of whom is a resident of Oregon.

Please note that **dependents** must be enrolled within the thirty-one (31) day period from the start of each semester/term. **Dependents** not enrolled within this time period must wait until the following semester to begin coverage. The only exception to this rule is for newborn children who must be enrolled within 31 days from their date of birth. To enroll a newborn child, you must contact Aetna Student Health Customer Service at **(866) 574-8289**.

NEWBORN INFANT AND ADOPTED CHILD COVERAGE

A child born to a **Covered Person** shall be covered for **Accident, Sickness**, and congenital defects for 31 days from the date of birth. At the end of this 31-day period, coverage will cease under the Reed College Student Health Insurance Plan. To extend coverage for a newborn past the 31 days, the **Covered Person** must (1) enroll the child within 31 days of birth, and (2) pay the additional premium starting from the date of birth.

Coverage is provided for a child legally placed for adoption with a **Covered Person** for 31 days from the moment of placement, provided the child lives in the household of the **Covered Person** and is **dependent** upon the **Covered Person** for support. To extend coverage for an adopted child past the 31 days, the **Covered Person** must: (1) enroll the child within 31 days of placement of such child, and (2) pay any additional premium, if necessary, starting from the date of placement. It is to your advantage to use a **Preferred Provider** because savings may be achieved from the **Negotiated Charges** these providers have agreed to accept as payment for their services. **Preferred Providers** are independent contractors, and are neither employees nor agents of Reed College, Aetna Student Health, or Aetna.

The availability of a particular provider(s) cannot be guaranteed and network composition is subject to change.*

PRE-EXISTING CONDITIONS/CREDIBLE COVERAGE OPTIONS

Pre-existing Condition

Pre-existing Conditions are not covered for a period of three months after the Effective Date of coverage. A **Pre-existing condition** means a condition for which medical advice, diagnosis, care or treatment was recommended or received during the six months prior to the Effective Date of coverage. Genetic information does not constitute a pre-existing condition in the absence of a diagnosis of the condition related to such information. This **pre-existing condition** limitation does not apply to a newborn child or adopted child. Credit will be given for the time an insured is covered under a Qualifying Prior Coverage (“Creditable Coverage”) if the coverage was in force within 63 days prior to the effective date of this coverage.

Special Rules as To a Pre-Existing Condition

The student is permitted to have a one term or semester break per **policy year** without restarting the **pre-existing condition** period.

Limitation

Pre-existing conditions are not covered during the six months that you are covered under this plan. However, there is an important exception to this general rule if you have been **Continuously Insured**. This pre-existing limitation does not apply to Covered Persons under age 19.

Pre-existing condition limitations do not apply to covered persons under age 19.

GENERAL PROVISIONS

STATE MANDATED BENEFITS

The Plan will pay benefits in accordance with any applicable Oregon State Insurance Law(s).

REIMBURSEMENT AND SUBROGATION

When a **covered person's** **injury** appears to be someone else's fault, benefits otherwise payable under This Plan for **Covered Medical Expenses** incurred as a result of that **injury** will not be paid unless the **covered person** or his legal representative agrees:

- a) To repay Aetna for such benefits to the extent they are for losses for which compensation is paid to the **covered person** by or on behalf of the person at fault,
- b) To allow Aetna a lien on such compensation and to hold such compensation in trust for Aetna, and
- c) To execute and give to Aetna any instruments needed to secure the rights under (a) and (b).

Further, when Aetna has paid benefits to or on behalf of the injured **covered person**, Aetna will be subrogated to all rights or recovery that the **covered person** has against the person at fault. These subrogation rights will extend only to recovery of the amount Aetna has paid. The **covered person** must execute and deliver any instruments needed and do whatever else is necessary to secure those rights to Aetna.

COORDINATION OF BENEFITS

If the **Covered Person** is insured under more than one group health plan, the benefits of the plan that covers the insured student will be used before those of a plan that provides coverage as a **dependent**. When both parents have group health plans that provide coverage as a dependent, the benefits of the plan of the parent whose birth date falls earlier in the year will be used first. The benefits available under this Plan may be coordinated with other benefits available to the **Covered Person** under any auto insurance, Workers' Compensation, Medicare, or other coverage. The Plan pays in accordance with the rules set forth in the Policy.

EXTENSION OF BENEFITS

If a **Covered Person** has an **Injury** or **Sickness** for which Covered Expenses were incurred within the 60-day period prior to their expiration date of coverage, benefits will be paid as long as the condition continues, but not to exceed: (1) the maximum Plan benefits for that **Injury** or **Sickness**; or (2) a period of 90 days from the expiration date, or if hospitalized beyond the 90-day period, until discharged from the **hospital**.

TERMINATION OF INSURANCE

Benefits are payable under This Plan only for those Covered Expenses incurred while the policy is in effect as to the **Covered Person**. No benefits are payable for expenses incurred after the date the insurance terminates, except as may be provided under the Extension of Benefits provision.

TERMINATION OF STUDENT COVERAGE

Insurance for a **covered student** will end on the first of these to occur:

- The date This Plan terminates,
- The last day for which any required premium has been paid,
- The date on which the **covered student** withdraws from the school because of entering the armed forces of any country. Premiums will be refunded on a pro-rata basis when application is made within 90 days from withdrawal,
- The date the **covered student** is no longer in an eligible class,
- The date the Continuation of Coverage terminates.

If withdrawal from school is for other than entering the armed forces, no premium refund will be made. Students will be covered for the Policy term for which they are enrolled, and for which premium has been paid. In the case of the Continuation of Coverage, no premium refunds will be made.

TERMINATION OF DEPENDENT COVERAGE

Insurance for a **covered student's dependent** will end when insurance for the **covered student** ends. Before then, coverage will end:

- a) For a child, on the first premium due date following the child's 26th birthday.
- b) The date the **covered student** fails to pay any required premium.
- c) For the spouse, the date the marriage ends in divorce or annulment.

- f) The date the **dependent** ceases to be in an eligible class.
- g) The date the Continuation of Coverage terminates.

Termination will not prejudice any claim for a charge that is incurred prior to the date coverage ends.

INCAPACITATED DEPENDENT CHILDREN

Insurance may be continued for incapacitated **dependent** children who reach the age at which insurance would otherwise cease. The **dependent** child must be chiefly dependent for support upon the **covered student** and be incapable of self-sustaining employment because of mental or physical handicap.

Due proof of the child's incapacity and dependency must be furnished to Aetna by the **covered student** within 31 after the date insurance would otherwise cease. Such child will be considered a **covered dependent**, so long as the **covered student** submits proof to Aetna at reasonable intervals during the two (2) years following the child's attainment of the limiting age and each year thereafter, that the child remains physically or mentally unable to earn his own living. The premium due for the child's insurance will be the same as for a child who is not so incapacitated.

The child's insurance under this provision will end on the earlier of:

- a) The date specified under the provision entitled Termination of **Dependent** Coverage, or
- b) The date the child is no longer incapacitated and dependent on the **covered student** for support.

Continuation of Coverage

A **covered student** who has graduated or is otherwise ineligible for coverage under this Plan, and has been continuously insured under the plan offered by the Policyholder (regular student plan), may be covered for up to 90 days provided that:

- 1) a written request for continuation has been forwarded to Aetna 31 days prior to the termination of coverage, and
