HCC Required Health Documents Checklist

- **Immunization Records (All records must be translated to English prior to submission)**
 - **Measles/Measles, Mumps, Rubella (MMR) Proof of Immunity or Approved Exemption:** The State of Oregon requires all college students to provide proof of immunity to the measles virus either by immunizations **OR** a blood test (Measles Titer) indicating a positive antibody result.
The State of Oregon also allows for a medical or non-medical exemption from receiving measles or MMR immunizations.
A hold may be placed on the registration process for all students who have not met the measles/MMR requirement.
Complete one of the following options to meet this requirement:
 - **Measles/MMR Immunizations:** Upload Immunization record to the [Student Health Portal](#) indicating two doses of measles or MMR given, with the 1st dose being on or after the 1st birthday and the 2nd dose *at least* 28 days after the 1st dose.
 - **Measles (Rubeola) Titer:** Recent positive Measles (Rubeola) titer results has been uploaded to the [Student Health Portal](#).
 - **Measles Exemption:** The following steps must be completed and all documentation uploaded to the [Student Health Portal](#) to be approved for a Measles exemption waiver:
 - Complete the Measles Exemption Form with your medical provider (MD, DO, ND, NP, PA) or an HCC medical prover for both a medical or non-medical exemption and upload it to the [Student Health Portal](#).
 - Watch [Oregon Health Authority's Vaccine Education Module for College Students](#). Print and sign the Certificate of Completion and upload it to the [Student Health Portal](#).
 - **COVID-19 Immunization/s or Approved Exemption:** Reed College is requiring all students to have completed an [EUA or EUL approved COVID-19 vaccine](#) series prior to arriving on campus or an approved COVID-19 vaccine exemption. Students who do not have access to [EUA/EUL authorized vaccines](#) may receive COVID-19 immunizations when they arrive on campus.

Complete one of the following options to meet this requirement:

- **COVID-19 Immunizations:** Upload Immunization records indicating vaccination/s with [EUA/EUL authorized COVID-19](#) vaccines to the [Student Health Portal](#).
- **Medical/Non-Medical COVID-19 Approved COVID-19 Vaccine Exemption:**
 - **Medical Exemption:** Complete the COVID-19 Vaccine Exemption form: Students need to complete section 1 & 4. A licensed medical provider (MD, DO, ND, NP, PA) completes section 2. Upload the COVID-19 Vaccine Exemption form and any supporting documentation to the [Student Health Portal](#).
 - **Non-Medical COVID-19 Vaccine Exemption:** Complete the COVID-19 Vaccine Exemption form with a licensed medical provider (MD, DO, ND, NP, PA). Student to complete section 1 and 4. Licensed medical provider to complete section 3. Upload the completed COVID-19 Vaccine Exemption form and any supporting documentation to the [Student health Portal](#).
- **Tuberculosis (TB) Screening:** All incoming students must complete a TB screening form. Based on responses to the questionnaire, incoming students who are assessed as potentially at higher risk for TB infection will be requested to undergo further evaluation and testing, including TB testing with either skin or blood tests. TB testing performed outside the HCC must be completed no earlier than 6 months prior to arrival to campus. **All test results must be translated to English prior to submission.**
 - **TB Screening Form:** Must be completed by all students prior to arrival on campus. The form can be found on the [Student Health Portal](#) under the Forms > Required Health Forms tab.
 - **If you answered 'Yes' on the TB Screening form you are required to complete the following:**
 - **TB Verification Form:** This form must be completed by a licensed medical provider (MD, DO, ND, NP, PA). You can download this form from the Student Health Portal under the Forms > Required Health Forms section. Upload the completed form to the [Student Health Portal](#).
 - **TB Testing/Chest X-ray:** Meet with your licensed medical provider (MD, DO, ND, NP, PA) for a medical evaluation and to determine the need for a TB skin test, IGRA blood test, or chest x-ray. Upload translated test results translated to the [Student Health Portal](#).
If you do not have a regular licensed medical provider you can complete TB testing at the HCC within two weeks of arrival to campus.
- **Provider Health Assessment Form:** It is *recommended* that all incoming students have a medical exam by a licensed medical provider (MD, DO, ND, NP, PA) within 12 months of arrival on campus; however, it is *required* for students who have current and/or chronic medical issues. This form can be found on the Student Health Portal under the Forms >

Required Health Forms tab. Download and print the form for your medical provider to complete. Upload the form to the [Student Health Portal](#) once completed.
