

This form is intended for students who choose to follow the 2019 distribution requirements. Students may declare a major any time after completing 13 Reed units (excluding PE), preferably at the end of the second year, and must declare after completing 16 units. A faculty member in the major department or on the established interdisciplinary committee must review the program outlined below and the plan of courses on the reverse of this form, then sign to indicate approval. Ad hoc interdisciplinary majors must obtain the signatures of an adviser from each of the two disciplines, and from both department chairs.
