### REQUEST a SEMESTER COURSE LOAD BELOW 3 UNITS

---

The student's signature on the preceding form affirms that they have read, understand, and agree to the guidelines and considerations detailed on this instruction page. Please contact the Registrar's Office ([registrar@reed.edu](mailto:registrar@reed.edu) or 503-777-7793) with questions.

---

#### Guidelines:

- The minimum required semester course load is 3 units.
  - After the first two weeks of the semester, carrying an enrollment of fewer than 3 units requires submission of this completed form with approval from the academic adviser. No reduction in tuition will occur. Seniors must complete a six unit thesis year with [no fewer than two units](#) (including thesis) in either semester.
  - Students may DROP a course from the 2<sup>nd</sup> week of the semester until the beginning of the 6<sup>th</sup> week of the semester with approval from their adviser. Students may WITHDRAW from a course with a grade of "W" from the end of the drop period until the start of the 10<sup>th</sup> week of the semester with approval from their adviser. After the first two weeks of the semester, submission of this completed form is required if dropping or withdrawing from a course results in a semester course load below 3 units.
  - Prior to the start of the term or during the first two weeks of the semester, a successful [petition to the Administration Committee](#) is required to carry a course load of fewer than 3 units. Approved petitions will receive reduced tuition which may impact financial aid. Contact Financial Aid ([financial.aid@reed.edu](mailto:financial.aid@reed.edu) or 503-777-7223) and/or the Business Office ([business-office@reed.edu](mailto:business-office@reed.edu) or 503-777-7505) BEFORE submitting a petition.
  - The Student Life Office will be notified that you have dropped or withdrawn below 3 units and may reach out.
- 

#### Considerations if dropping below the minimum required 3 unit course load:

- **Immigration Status:** If you are an international student holding F-1 status, a drop below the minimum required semester course load (3 units) is permitted in limited circumstances and requires pre-authorization. Contact International Student Services prior to an attempt to drop below 3 units: [iss@reed.edu](mailto:iss@reed.edu) or 503-517-5538.
  - **Tuition:** Prior to the start of the term, or during the first two weeks of the semester, students may [petition the Administration Committee](#) to carry a course load below 3 units *with reduced tuition*. After the second week of the semester, students are assessed the full semester's tuition, even if approved to carry a course load below 3 units.
  - **Financial Aid:** There may be Satisfactory Academic Progress implications affecting your eligibility for financial aid in future terms. Contact the Financial Aid office to review your situation: [financial.aid@reed.edu](mailto:financial.aid@reed.edu) or 503-777-7223. If your financial aid is reduced, you will need to contact the business office to make payment arrangements: [business-office@reed.edu](mailto:business-office@reed.edu) or 503-777-7505
  - **Off-Campus Study:** Students who are studying off-campus (e.g., studying abroad) do NOT need to submit this form for a reduced course load; however, the off-campus program/partner requires written authorization from Reed's International Programs Office to drop below an equivalent full time course load. Contact the International Programs Office: [adelrio@reed.edu](mailto:adelrio@reed.edu) or 503-517-4701
  - **Fellowships:** Some fellowships require that a student be enrolled full-time to be eligible. Contact the Center for Life Beyond Reed: [clbrfellowships@reed.edu](mailto:clbrfellowships@reed.edu)
  - **Academic Review:** Students who do not maintain a semester course load of 3 units will have their grades and academic progress reviewed by the Administration Committee during its end-of-the-semester academic review. Depending on the student's past academic performance & current academic status, this can result in an academic action such as warning, probation, etc.
- 

#### Request Process:

- Contact your academic adviser and any of the appropriate parties listed above.
- Fill out this form completely and obtain the necessary approvals.
- Submit the completed form to the Registrar's Office via email to [registrar@reed.edu](mailto:registrar@reed.edu). Remember to include a brief statement of rationale.
- It is recommended that you continue to attend the course(s) from which you wish to drop or withdraw until you receive word from the Registrar's office that this form has been processed.
