**REED COLLEGE**

**New Student Information**

Course selection and registration for first-year and transfer students

---

**SCHEDULE OF CLASSES**

Please consult the online Schedule of Classes, available on the web at [class-schedule.reed.edu](class-schedule.reed.edu) for a dynamic and searchable listing of courses offered this year.

---

**PLANNING YOUR COURSES**

**First-year students**

Your first year gives you the opportunity to both explore areas of study in which you may be interested, and to satisfy some of the requirements for your degree. You can build a foundation for advanced study by taking introductory courses that serve as prerequisites for advanced courses in particular fields.

**Transfer Students**

It is particularly important that you are aware of which group, divisional, and departmental requirements you still must meet for graduation. Divisional requirements are listed in the catalog at the beginning of the course listings for the division of the Arts, History and Social Science, and Literature & Language. The divisions of Mathematical and Natural Sciences (MNS), and Philosophy, Religion, Psychology and Linguistics (PRPL), do not have divisional requirements.

---

**DECIDING ON A MAJOR**

**First-year students**

It is not a problem if you have not yet decided on a major. Many students come to Reed without a major in mind. Many who have selected a major change their major after being in college, sometimes after taking a course to fill a requirement and finding a new field that engages their interest. Because subjects are often treated quite differently at Reed than they were in high school, students may also find that their preconceptions change when they are exposed to different areas.

**Transfer Students**

You are required to declare a major after you complete 13 units. If you plan to graduate in fewer than three years, you should discuss plans for the major with your adviser.

---

**MAJORING IN SCIENCE**

Generally speaking, students majoring in mathematics and the natural sciences have more room in their schedules for non-science courses in their junior and senior years, and students in the humanities and social sciences have more room for electives during their first two years.

**First-year students**

If you think you might be interested in majoring in one of the sciences, we strongly recommend that you begin that major in the first year.

**Transfer Students**

If you think you will major in one of the sciences, you must begin or continue that major right away. Your choice and sequence of science classes will depend on the transfer credit you have earned.

---

**LANGUAGE STUDY**

If you plan to major in any of the departments in the Division of Literature and Languages, you must begin language study early (right away for transfers) because many majors require language proficiency as well as successful completion of third-year level literature courses, not in translation, in a language other than the major.

---

**OPPORTUNITY TO STUDY ARABIC**

Reed students may study Arabic language at Lewis and Clark College. Classes are scheduled on Mon/Wed/Fri at 11:30am –12:30pm (ARB 101), and at 10:20am – 11:20am (ARB 201). These courses are available at no cost to the student and transportation is provided (approx. 30 minutes each way). **Space is limited. Register for the course with Ben Bradley, Recorder (Eliot 311).**

---

**COURSES WITH RESERVED SEATS**

The following courses have seats reserved for new students so they do not fill will just continuing students. Once those seats are taken, you must obtain the instructor’s approval, and submit a completed Add/Drop form to register.

**COURSE LOAD**
The normal course load at Reed is 3 to 4.5 units per semester. Most students carry 3.5 to 4 units each semester. 4.5 units is an extremely rigorous course load. We recommend that first-year students take 3 to 4 units in their first semester.

**COURSES NOT OPEN TO FIRST-YEAR STUDENTS**
In some departments such as English, sociology, and anthropology (except ANTH 201), courses are not open to first-year students except in unusual cases when the instructor gives permission. For most of these courses, sophomore standing or completion of Humanities 110 is a prerequisite.

**SEMESTER AND YEAR COURSES**
Reed courses are taught as semester courses or year courses. Year courses are designated by a Y in the section number in the schedule. Fall courses are indicated by an F and spring courses by an S. Be sure to sign up for courses in both fall and spring semesters when you register. Students have an opportunity in November to meet with their advisers and decide whether to change their spring courses.

**GENERAL COLLEGE AND DISTRIBUTION REQUIREMENTS**
Information is available in the college catalog on the web at [www.reed.edu/catalog](http://www.reed.edu/catalog). A list of courses that meet group requirements, and a list of courses with no prerequisites is available on the registrar’s website at: [www.reed.edu/registrar/registration_info](http://www.reed.edu/registrar/registration_info).

**DIVISIONAL REQUIREMENTS** (MNS and PRPL do not have additional divisional requirements.)

**Division of the Arts:**

**Art, dance, music, and theatre**

1. Satisfactory completion of two units of a second-year college foreign language course. Waiver of the divisional foreign language requirement may be granted in cases where proficiency is demonstrated through examination. Two units of foreign language course work may be used toward satisfying the college-wide Group D requirement. Proficiency cannot be used to satisfy Group D.

2. Approval of all independent study (481) courses by the division. The opportunity for independent study is ordinarily offered only to juniors and seniors who have done extensive work in the area.
Division of History and Social Sciences:
*Anthropology, economics, history, political science, and sociology*
Any three of the following must be completed before the senior year.
1. Anthropology 211 and either Anthropology 201 or one additional upper-division anthropology course.
2. Any two one-unit Reed College economics courses, or the equivalent.
3. Any two one-unit Reed history courses, or the equivalent.
4. Sociology 211 and one other sociology course.
5. One introductory political science course (220, 240, 260, or 280) and any other political science course, but no more than one course from Political Science 280-298 and 380-415.

Division of Literature and Languages:
*Classics, Chinese, creative writing, English, French, German, literature, Russian, and Spanish*
1. One unit in the Division of the Arts.
2. Two units in a single literature outside of the major. English majors may not satisfy this requirement with courses in which the readings are in translation. Majors in departments other than English may satisfy the requirement with two courses in English literature at the 200 level or higher; two 300-level courses in a second non-English literature, read in the original language; or two units of a single 300-level literature, read in translation.

SAMPLE PROGRAMS FOR FIRST-YEAR STUDENTS
Below are sample programs to guide you as you think about your own schedule of classes for the coming year. Your program may vary from these, and your adviser will assist you in your final course choice. These are intended to be illustrative, not prescriptive. Placement in math, music, economics, and language courses will be determined by exams and/or interviews during orientation. The designation Y refers to a year-long course, F to a fall course, and S to a spring course. Review the most up-to-date version of the Schedule of Classes at: class-schedule.reed.edu.

**SCIENCE MAJOR**
1. HUM 110 (Y)
2. BIOL 101/102 (both offered F & S), CHEM 101 (F)/102 (S), or PHYS 101 (F)/102 (S) (Biology majors are encouraged to take both biology and chemistry courses. Most physics majors take math as well as physics.)
3. Math course (F, S)
4. Possibly a .5 unit course such as DANC 111 (F), 112 (S)

**LITERATURE MAJOR**
1. HUM 110 (Y)
2. Foreign language (Y)
3-4. Science (F, S) courses or 1-2 of the following: MUS 111 (F), PHIL 200-level (F, S) course, Introductory POL (F, S) course, PSY 101 (F), and 201-209 (four sections) (S), REL 100-level (F, S) course, ART 161, 201, (F, S) etc.

**PSYCHOLOGY MAJOR**
1. HUM 110 (Y)
2. PSY 101 (F)/201-209 (S, four sections)
3. A math or a science course, a language, social science, or music course
4. Possibly a .5 unit course

**HISTORY AND SOCIAL SCIENCE**
1. HUM 110 (Y)
2. ECON 201 (F, S) or one introductory POL (F, S) course
3. A math, science, language, or music course
4. Possibly a .5 unit course

**THE ARTS**
1. HUM 110 (Y)
2. ART 201 (F, S) or MUS 111 (F) or THEA 200-level (F, S)
3. A foreign language (Y)
4. Possibly a 100-level art course (F, S), DANC 111 (F), or MUS 105 or 107 (F, S)

**UNDECIDED**
1. HUM 110 (Y)
2. A math or science course
3. A language, social science, religion, or music course
4. Possibly a .5 unit course

Once you have met with your academic adviser during orientation, you will register for your classes on SOLAR...
WELCOME TO THE SOLAR SYSTEM
Reed’s Student Online Registration System

SOLAR REGISTRATION INSTRUCTIONS

SYSTEM SPECIFICATIONS
This system will work best with current versions of Safari, Firefox or Chrome. If you have trouble accessing this application with any of these browsers, check with Computer User Services.

STUDENT PIN
A Personal Identification Number (PIN) is required to login to the SOLAR system. A new PIN will be issued to your adviser prior to each future registration period (April and November). You must meet with your academic adviser to review your course selections and obtain your new PIN.

ACCESS, LINKS, & RESOURCES
You may access SOLAR during registration periods through the login page: https://solar.reed.edu/

Review the most up-to-date version of the Schedule of Classes at: class-schedule.reed.edu.

Other resources, as well as links to SOLAR and the Schedule of Classes are available at the Registrar’s Office web page for Registration and Course Information at: https://www.reed.edu/registrar/registration_info.html.

SOLAR REGISTRATION DATES
The SOLAR System is available for continuing student registration through Wednesday, August 28, 2019. It will open for new students only on Thursday, August 29, 2019. SOLAR opens again for spring registration and schedule changes beginning November 18, 2019.

NAVIGATING THE SOLAR SYSTEM
1. Find courses using a variety of search and sort options (e.g. by subject, course number, day/time, etc.)
2. Select a course to find out more information about it, such as prerequisites, or to access the online catalog for the course description.
3. Add the course by clicking the “ADD” button to the right of the course listing. The system will prompt you to add all components of the course.
4. Drop a course by clicking the “DROP” button. The system will deliver a second prompt to ensure you’ve chosen the correct course.
5. FINALIZE your registration! Click the “Finalize” link at the top of the page. This will ensure that you are registered correctly.
6. You may print a copy of your schedule by clicking on the “Daily view” button on the top of the page and print the pop-up page as you would in any other program: select “print” from the “File” menu.

NOTE: You can check your schedule at any time through IRIS, even when SOLAR is closed. Login to IRIS at iris.reed.edu.

ERROR MESSAGES & THINGS YOU CAN’T DO IN SOLAR
SOLAR may deliver an error message and prevent you from registering if there is a time conflict, an overload of five or more units, a course with class level restrictions (e.g. seniors only), and courses that require instructor/chair permission. When SOLAR is open, approval for the following can be recorded as an override by the instructor through IRIS. Once an override is entered, you may follow-up and use SOLAR to register for the following:

● Course/s where instructor permission is required
● Course/s with prerequisites you have not met
● Course/s that conflict (in time) with another course/s
● Course/s with class level restrictions

You must submit a completed Add/Drop form to the Registrar’s Office to make the following changes:

● To register for a course for reduced unit value (e.g. lab- or lecture- only)
● To enroll in an independent study course
● To change the conference assignment of any humanities course

There are forms available on the Registrar’s website and at our office in Eliot to do the following:

● Change your adviser
● Take a course for the Credit/No-Credit grade option (where applicable)
● Request credit for one semester of a year-long course
● Declare your major
● Request approval of transfer credit
● Request a copy of your transcript

NEED HELP?
If you need help with the SOLAR System while you’re online, click the “HELP” button at the top of the screen. Or, you may contact the Registrar’s Office at extension 7296, or send an email to registrar@reed.edu with any questions, concerns, or problems you encounter during registration.
GENERAL REGISTRATION INFORMATION

REGISTRATION DATES
Registration for continuing students for fall 2019 and spring 2020 opened April 22, 2018. Registration for continuing students will be available via SOLAR through Wednesday, August 28. New students begin registering on SOLAR Thursday, August 29, 2019. SOLAR closes at 5:00pm on Thursday, August 29, 2019. Subsequent changes to your fall 2019 schedule are made using Add/Drop forms.

The first day of fall 2019 classes is Tuesday, September 3, 2019.

DEADLINES
For a complete list of dates and deadlines, refer to the academic calendar on the Reed College website: https://www.reed.edu/academic_calendar/. Students who miss a deadline to change their schedule may submit a petition to the Administration Committee for a waiver of policy. If the committee approves the change, they may levy a missed deadline fine.

ADDING AND DROPPING COURSES
Students are responsible for all courses for which they register. Failure to attend a class does not result in a course being dropped from a student’s schedule. Students wishing to make changes to their schedule once classes begin and SOLAR has closed must fill out an Add/Drop form (available at Eliot 311 and at http://www.reed.edu/registrar/forms.html). Students must submit the completed form, with the requisite signatures, to the Registrar’s Office by the relevant deadline. Students are responsible for all work in the course until the change is processed. Check your schedule in IRIS (iris.reed.edu) at any time to ensure the change has been processed.

CHANGING SECTIONS OF THE SAME COURSE
A Section Change form (available at the Registrar’s Office and at http://www.reed.edu/registrar/forms.html) must be completed, signed, and submitted to the Registrar’s Office by the relevant deadline in order to change to a different section of a course. The deadline for section changes is the same deadline for adding a course. The student and instructor signatures are required.

COURSES WITH MULTIPLE SECTIONS
For classes with multiple sections, students will be registered for the section they select during the registration period. After the close of registration, sections may be balanced as evenly as possible within the constraints of students’ class schedules. Students must attend the section that appears on the registration confirmation received after registration, and should check IRIS to confirm their registration prior to the start of classes.

CREDIT FOR ONE SEMESTER OF A YEAR-LONG COURSE
Credit in a year-long course normally is granted only after the completion of the work of both semesters. With the instructor’s permission, credit will be recorded for one semester once a completed Credit for One Semester form is signed and filed in the Registrar’s Office.

CREDIT/NO-CREDIT
Only juniors and seniors may enroll in a class for credit/no-credit, and they must complete the Credit/No-Credit form. The deadline to change a course to credit/no-credit is the same as the deadline to withdraw from a course. Students may take only elective classes on this basis, and no more than two units may count toward the degree. Credit/no-credit classes must be taken outside the major department, cannot be used to meet distribution, major, or division requirements, and must be completed at the level of C or better to receive credit. Courses offered only on a credit/no-credit basis do not count toward the two-unit maximum.

CREATIVE WRITING
Students must submit a sample of their writing and obtain the instructor’s permission to register for creative writing courses. Refer to the creative writing web page for more information: https://www.reed.edu/creative_writing/. Once the instructor submits online approval for students admitted to the class, students may add the class on SOLAR or with a completed Add/Drop form.
DECLARATION OF MAJOR
Students who have completed or are in the process of completing 16 units toward graduation must declare their major in order to register and to attain junior standing.

FACULTY ADVISERS
Returning students may change advisers at any time, by completing a Change of Adviser form. Students should choose a new adviser if their adviser has left Reed or is on sabbatical or leave, otherwise an adviser will be assigned over the semester break. Faculty may not serve as academic advisers in their first year at Reed, and juniors and seniors must have an adviser in their major department. In some cases, the thesis adviser is the academic adviser; check with your department and division.

PHYSICAL EDUCATION/COMMUNITY ENGAGEMENT REQUIREMENT
Six quarters (three semesters) of approved activities must be completed before a student may be considered for graduation. Only one PE or community engagement credit may be earned during any quarter. Students must register after securing permission from the SEEDS staff. The remaining four credits must be completed in instructional PE classes. The PE requirement must be completed while enrolled at Reed, and should be completed before the senior year. Take care to sign up for the correct quarter when choosing a PE class.

PRIVATE MUSIC INSTRUCTION AND ENSEMBLES
Private lessons are available in all orchestral instruments, guitar, harpsichord, piano, voice as well as jazz and some ethnic instruments. Students of all levels are encouraged to study privately at Reed. More information can be found here or by contacting Denise VanLeuven, Director of Private Music Instruction, Performing Arts 102, email: dvanleuv@reed.edu, extension: 7472

REGISTRATION FOR INDEPENDENT STUDY (481)
A completed Add/Drop form is required for enrollment in an independent study. The course number for independent study is 481. Only the course title, subject, and number are required on the Add/Drop form (e.g., BIOL 481, HIST 481), with the instructor’s signature. All independent study courses must be approved by the division before registration will be finalized, but the Add/Drop form must be submitted by the deadline to add.

REGISTRATION LIMITS – UNDERLOADS AND OVERLOADS
A normal full-time schedule is defined as 3 to 4.5 units per semester, or 6 to 9 units per year exclusive of physical education. A minimum of 30 units is required for graduation.

Underloads
An underload is any semester schedule of fewer than 3 units. Students wishing to enroll in an underload and pay reduced tuition must petition the Administration Committee by the end of the second week of classes, with support from their adviser. Students wishing to enroll in an underload later in the semester with no reduction of tuition must submit to the Registrar’s Office and Add/Drop form signed by their adviser, one of the deans in Student Life, and the Financial Aid Office (where applicable).

Overloads
An overload is any semester schedule over 4.5 units. Students must petition the Administration Committee in order to register for an overload. A petition is required for each semester in which an overload is requested.

REGISTRATION FOR THESIS
Students must have formally declared a major and have been certified as having passed the Junior Qualifying exam before registering for thesis.
REQUIRED SIGNATURES
Certain signatures are required for the different activities associated with registration. Forms without the requisite signatures will be returned to students unprocessed. The instructor’s signature is always required for adding and dropping classes once classes have begun; while SOLAR is open for registration, instructor signatures are only required for independent study, classes taken for reduced unit value, and permission to complete one-half of a year-long course.

SENIOR YEAR REQUIREMENTS
Seniors must complete no fewer than 6 units during their thesis year. The six units, however arranged, (e.g., 2 units first and 4 units second semester) constitute a full-time academic load and require payment of full-time tuition for both semesters. Seniors are responsible for completing all requirements, including those specific to the thesis year. Seniors must take at least one non-thesis unit in a thesis semester. Due to federal regulations, students on financial aid may be required to enroll in a minimum of three units to be considered full-time. Any change in registration should be considered carefully in light of the fulfillment of graduation requirements.

YEAR-LONG COURSES
Year-long courses are designated with a section code that begins with “Y.” These courses have different deadlines than semester courses, as noted on the academic calendar.
