

Frequently Ask Questions

For Students

How many PE credits do I need to graduate? Six (6) credits are required for graduation and can be accomplished in 6 quarters or 2.5 years of your time at Reed. See credit requirement details [here](#).

Can I bring in my friend who lives in town on a regular basis to the Sports Center? No, Guests may only use at this time due to construction space limitations.

I want to get credit for my class I am taking off campus. How do I do that? Check out the PE website for more detail. All off campus PE classes must be first authorized by the Director of Athletics Fitness and Outdoor Programs.

What is the attendance policy for receiving credit for a PE class? Students are allowed to miss *maximally* the number of classes *per quarter* as the class meets per week in order to be eligible to receive PE credit for participation. Example: If a class is scheduled 1X/week, students can only miss one class and still be eligible to receive PE credit, if a class is scheduled to meet 2X/week, students can only miss 2 classes throughout the quarter. As attendance is the primary requirement for PE courses, there are no excused absences or make up sessions.

I don't see any classes I like. Can I start my own PE course? Please see information here.

For Staff/Faculty and Alumni

Can Staff/Faculty and Alumni take PE classes at Reed? Sorry, PE classes are for currently enrolled students only. Our classes are already really full and adding these groups would impact the student experience.

Are alumni allowed to use the athletic facilities? Alumni are currently not allowed in the Sports Center due to Construction and our priority for student access in our limited space. Alumni access will be revisited fall 2024.

For General Public

Can non-Reedies utilize the Athletic facilities, PE classes and Fields for person or group use? Sorry, we are a private school with limited size athletic facilities. Our smaller facilities don't allow us to open up usage to the general public. Field use is for official Reed College groups only, you will be asked to leave the fields if unsanctioned events are taking

place. The Director of Athletics, Fitness and Outdoor Programs must authorize any use of athletic facilities. Please see [policies and procedures](#) for more information.

I hear your swimming pool is open to the general public? Wrong again, please see the above usage of facilities.
